William Brewster,

Dear sir:— I wrote to
M. Abbott Fragar and
asked him if he wanted
to buy any birds just as
shot, and he referred me
to you saying that he
thought you would want
to buy some. I shoot
quite a number of ducks
of different kinds, Sheldrakes,
Whittler, Oldsquaw and
many other kinds of
birds. We get also and a
while an American Eider
duck and others. If you

Dear sir —, I am a
beginner in the art of
taxidermy and would like
to know if you can tell
me, where I can get a permit
to kill and mount birds of
any kind at any time of
the year. I like Natural History
and I want a collection of
birds for ornament and study
I did not know but as
you was in the business
you could tell me or help
me get a permit.

Hoping to hear from
you soon I am yours truly

Wm. Brewster: — Dear sir,
I have received no letter relating
to ducks as you claim to
have sent. It must have been
miscarried. The last letter I
had from your place was
from Walter Deane saying you
were sick, and he would
have to wait a few days
before replying to my letter
of the 19th of Feb.

Hoping to hear from you
soon I am yours truly
